

ILLINOIS ASSOCIATION OF **STUDENT COUNCILS**

November 12, 2018

Dear IASC Member Schools,

It is the time of year to review the IASC Constitution and By-Laws (both can be found at www.illinoisstuco.org). If you believe a change is needed, you may make recommendations by proposing amendments to the Constitution and/or By-Laws. Please complete and return the attached form to me via email before January 9, 2019.

Every proposed amendment will be reviewed by both the IASC Executive Board and the Constitution Committee. The amendments will be posted on the IASC website two weeks prior to the convention. All proposed amendments will be discussed at the 85th State Convention and will require a two-thirds vote for constitutional amendment passage and a simple majority vote for by-law changes.

I would be happy to answer any questions or concerns that you may have.

Best Regards,

Priyanka Kaushal

IASC President
