

ILLINOIS ASSOCIATION OF STUDENT COUNCILS

September 1, 2019

Dear Student Council Advisor,

The IASC Executive Board has been preparing all summer for the 85th IASC State Convention to be held from May 7th to the 9th at the Wyndham Springfield City Centre in Springfield, Illinois. Honor Delegates are crucial for this year's convention to be a success; I am asking you to encourage your students to contribute by becoming Honor Delegates. Online at www.illinoisstuco.com, you will find the application for Honor Delegate positions.

As the First Vice President, it is my responsibility to recommend candidates for the IASC Constitution, Credentials, and Honor Book Evaluation Committees as well as for Discussion Group Leaders, Roundtable Moderators, and Recorders. These positions provide excellent opportunities for students to get involved with the IASC and use leadership skills. Students will have a chance to have fun and meet people from throughout the state. Committee members will be able to practice parliamentary procedure and contribute to the IASC's function, while those involved in discussion groups and round tables can share their wisdom about leadership and student council. I ask you to encourage all of your students to fill out the application and pursue this opportunity.

I have also sent you a letter to students explaining each position. Please remember that each student can only apply for ONE position. All delegates chosen as IASC Credentials Committee members MUST attend the Credentials Committee Meeting on January 11th at the IHSA Headquarters in Bloomington, and Discussion Group Leaders and Round Table Moderators will be required to complete a three-step approval process which will be explained if the applicant is accepted. All application signatures can be sent via email or postmarked by **November 4, 2019**.

Applications are available online at www.illinoisstuco.com or <https://goo.gl/forms/SwzPbk8qG1JxzGv53>.

If you or your students have any questions, feel free to contact me by phone at (217) 480-6436 or by email at 1stvp@illinoisstuco.com. Thank you for your support and commitment to this organization. I look forward to working with your council this year.

Best Regards,

Kristen Costa
IASC First Vice President
