State Convention (pg.2)

State Service Project (pg.3)

- State Convention Info -

Taylorville High School is proud to host this year's IASC State Convention, Lights, Camera, Leadership, on March 26-28, 2026, at the Abraham Lincoln Doubletree in Springfield. We invite your council to join us for our 92nd annual convention.

- State Service Project -

Each school year, the IASC selects a charity to partner with in support of a state service project.

For the 2025-2026 school year, the IASC has selected Operation Support Our Troops as our partner.

Operation Support Our Troops–America is the State Service Project for the Illinois Association of Student Councils (IASC), and this year, all IASC schools are encouraged to support the organization’s “Comfort and Care Package” program. Schools can collect donated items in any way that works best for their communities, helping gather essentials and thoughtful comforts for deployed troops. A list of the organization’s current needs will be sent out in early 2026 to guide donation efforts. All collected items will be brought to the IASC state convention and then delivered to the organization’s warehouse in Naperville, Illinois, allowing student leaders across the state to make a meaningful impact together.
